Railroad extension works, in Elk Valley, about twenty-two miles beyond Careyville, in which Dave Hickey, a stoneworkman, was probably fatally shot by a Mr. Smith, of the civil engineering corps. As we gather the facts, a force of hands was engaged constructing a stene abutment, under Mr. W. B. McMullen, contractor. Mr. Smith, as engineer, objected to the manner in which Hickey was laying the stone, and hard words ensued, when Smith gathered up a hammer and struck Hickey, whereupon Hickey Postmaster General has adopted a drew his pistol, They got together in a scuffie and rolled off over the wall scuffle he, it seems, got up first, got hold of Hickey's pirtol and shot him, the ball taking effect in his left groin, and going through, coming out above the hip. Good Advice. You will prevent and cure the greater part of the ills that afflict mankind in this or any section, if you keep your stomach, liver and kidneys in perfect working order. There is no medicine known that does this as surely as Parker's Ginger Tonic. It will keep your blood rich and pure, and give you good health at little cost. See other column.
